Week beginning Monday 11th May 2020.

lisronaghns63@gmail.com

Dear Parents/Guardians,

I hope this finds you and the children in good health. It's strange to note that we are almost at the middle of May, when we should be gearing up for firstly, standardised tests (now cancelled), and secondly, the nicer things associated with the summer term. Communion Day, Sports Day, School Tours, etc –these are things we can only look forward to in the future. Also, be assured that we are not forgetting about our Sixth Class who will be moving on from us this year. This will be marked in some way, following proper guidelines.

We hope the children had a look at the photo story on the website. It was lovely to see you looking so well and to see some of the things that you have been doing during the school closure. The importance of having fun and learning through play cannot be over-emphasised. Be sure to enjoy the fine weather!

Thank you for engaging with the work set by the Class Teachers to date. The honest reality of home life, with its difficulties and challenges at the moment, is something we all have to deal with. Never underestimate the power of just being there for the children.

Please email the Class Teachers with any queries, etc. I am available at the above email address.

With very best wishes to you and the children,

Angela McG.
