

Third & Fourth Class

Dear Parents/Guardians,

I hope you are all keeping well in these challenging times.

The following is a list of suggested activities that should allow the children to revise their work and keep them engaged academically. Our priority is to support the children while at the same time minimising the burden on families. As every child and family situation is different, please feel free to reduce or increase the activities as you see fit.

As it was not possible to collect the rest of your child's school books at the weekend, I have provided some links to the various book companies associated with our school books. Your child will need help setting up and noting the username and password.

I wish you all the very best over the next few weeks and I am looking forward to seeing the children back in class.

Kind regards,

Carmel O'Meara.

English

-English in Practice Day 119 to 123.

-Spelling Workbook: Please go to Prim-Ed website. Select "For Parents" section. Select "Download your free pack". Fill in username etc. Check email and select download pack for the relevant class level. Scroll down to the spelling page section.

Unit 13. Please learn the top half of the spellings for this week and complete activities on pages 50 & 51. Words may also be put into sentences. Activities can be completed in your homework copy if you have no printer at home.

-Reading Zone: Go to [Folens on Line Registration](#)

Select Teacher.

Fill in a username, email and password.

For Roll Number use the code: Prim20.

Search Reading Zone 3rd/4th in the Search bar.

Select the book.

Read Unit 25-A Baker's Dozen and answer questions A to G.

-Reading: Continue with your own personal reading.

Irish

- Irish spellings: Please learn the following spellings and put into sentences using your toolkit.

Múinteoir=Teacher

Ábhar=Subject

Bosca lóin=Lunch box

Málaí scoile= School bags

Ciúin=Quiet

Maidin=Morning

Sa chlós=In the yard

Seomraí=Rooms

Irish Grammar: Please revise all Irish grammar in your Verb And Grammar copy. Put each piece of grammar into a sentence.

Reading: Revise reading the story on page 110 of Béal Beo.

Story: We have covered the topic of An Aimsir (The Weather) over the last few weeks in school. Use your spellings, verbs, grammar and useful phrases to write a short story, just like your news, based around the weather. It could be an exciting story based on the adventures you get up to during the summer months or a story about the many storms we have had! Read it to a family member.

Maths

-Mental Maths page 83 to 85.

-Planet Maths: Log onto Folensonline.ie and click register in order to access Planet Maths book.

Select Teacher. Fill in username etc. Roll number: Prim20

Area. Area is the how much space a surface takes up. We measure area in squares. Complete a page every day from page 138 to 142.

-Table Toppers: Page 36 to 37.

-Revise your multiplication tables by timing yourself each day. Ask someone to check if you are saying them correctly. Revise them if you are not and try saying them again. See if you can beat your own personal best the next day and so on. Record your times!

S.E.S.E.

Unlocking S.E.S.E. book chapter 19. Questions can be answered into your S.E.S.E. copy.

Music

Revise all music learned on tin whistle this year.

P.E.

Any physical activity of your choice!

The following is a list of work that is optional:

-Write your nuacht (news) as Gaeilge every day.

-Genre work: Write a narrative (story) including an exciting beginning, a problem in the middle of the story, and how the problem is solved in the end of the story. Use paragraphs.

-Comic strip with illustrations:

Choose a cartoon character you like or make one up.

- Using a series of six pictures, make up a cartoon sequence with dialogue. Try to make it as funny as you can.
- Try it out on a friend or your parents.
- Did they enjoy your cartoon?

-Maths: 3rd Class: Page 170 to 173 of Planet Maths

4th Class: Page 172 to 175 of Planet Maths
