

April 20th-24th

Hi all, I hope you enjoyed Easter and the lovely weather we had for the most part.

If you have any trouble with the work below, please send me an email, and I will hopefully be able to help. Please feel free to tailor the work for your child, as you see fit. Following the DropBox link is very important, as a lot of the worksheets and teaching aids are located here.

Feel free to let me know how you are getting on, I would love to hear from you.

Take Care,

Mrs. Armstrong.

5th Class;

Maths

5th Class: Planet Maths Percentages 2 pages 122 and 123

Star Store pages 124+125(revision work)

6th Class: Percentages 2 pages 107-111

All Children:

- Mental Maths Week 28 for all (I will post the answers during the week)
- Tables Practice daily
- Capacity- see capacity folder on dropbox link, it contains two worksheets.

English

English Reading: 6th Class Reading Zone: Life of a guide Dog Unit 23. Read the story aloud each day.

5th Class Reading Zone: Call of the Sea, Unit 23. Read the story aloud each day.

- **Letter writing activity:** Look at the short power point presentation showing how to layout a formal letter correctly.
Read the sample letter of complaint and take note of how it is laid out.
Follow this advice to write the following letter:
Write a letter of complaint to D.I.D. electrical, where you recently purchased a new Dyson Hoover. Tell them about the problems you are having with the hoover, and what you would like done about these problems. Don't forget your address and the address of the company.
- Spelling workbook Unit 14 (learn the first 12 spellings and do activities 1-5)
- New Wave English in Practice days 64-69
- Library Reading daily

Geography

- **The Geography folder in your dropbox link has all the resources you need, such as power point lessons and worksheets.**
- Watch the video on maps and grid referencing.
<https://www.youtube.com/watch?v=AB3RQr-NGCs>
- Watch the Powerpoint Presentation on Grid referencing.
- Complete the mapping worksheet attached.
- Unlocking SESE- Read the chapter 'Tourism in Ireland' on pages 138-143. Think about tourist attractions in our local area and compile a list. Choose one attraction and create a brochure advertising this attraction to tourists.
- Learn the poem 'Counties of Ireland' (In Geography folder). Learn a verse each night and have someone at home test you. This should be of assistance to you in the next task.

- Learn the counties of each province. One province per night. This map worksheet is in your folder. We had already learned Munster and Leinster.
- Revise the rivers and mountains of Ireland.

Gaeilge

Abair Liom lgh: 130-135

- Watch the video on the dropbox link based on this chapter and complete associated activities.
- Tír na nÓg: Léigh an scéal agus freagair na ceisteanna.
- Dictionary work: look up the following words using your foclóir and write the meaning.
(laoch, na fianna, dathúl, cuireadh, rogha, tinneas, bás, uaigneach, cuairt, croí briste, march, a ndícheall)
 - Revise the irregular verb 'Téigh' (to go), in the past, present and future tense. Complete activities on page 134.
 - Learn the following ceisteanna and their meanings:
 - Cad (what)
 - Cá (where)
 - Déan cur síos (Describe)
 - Cén fáth (why)
 - Conas (why)
 - Meas tú? Cá bhfios duit? (do you think? How do you know?)

Go to folensonline, click on Abair Liom H and listen to the story in the resources section. You can use the ebook available if you do not have your book.

I have added a video to dropbox to help with translations and questions.

SPHE

Weaving Well Being: Revise chapter 5- be a positivity detective once more and write down five positive things that have happened in the last couple of days.

Chapter 6: 'I can accept that I am ok just as I am' pages 20-22. I would love to hear the quote/slogan that you come up with for the Self-worth poster in page 21. Email it to me if possible.

History

Use this week to finish your WW11 project.

Science

Spring has sprung and the weather is great. Lots of leaves are appearing and some trees are flowers are appearing. Go out and choose a selection you see. Draw five of these (leaves or flowers) and label the drawing with the name of the plant/tree. Colour appropriately. This is to be done into your SESE copy. Consult the internet or reference books to help with identifying the plant.

6th Class Confirmation Preparation

Read the chapter in your *Grow in love* on Confirmation and complete the following:

1. Write a summary of what happened when the apostles received the Holy Spirit on Pentecost.
2. Name the gifts of the Holy Spirit

If you have the time...

I have added some optional extras below if you are finding you would like to do more. These are all OPTIONAL extras. Please do not feel under pressure to complete. There is also a folder on the dropbox link called 'Extra Worksheets', there is plenty of extra work here if you are looking for some.

- Maths

Revision of multiplication and division tables

<https://www.theschoolhub.ie/sample.php> The above link is a game you can play online to help practice. If you choose the mixed tables option it is really good for practicing all of your tables at once. See what your top score is. Mine was 13 seconds for multiplication and 14 for division. I very much doubt it can be beaten

- Try going onto www.duolingo.com and set up an account. If you select to learn Irish on the menu this could be used as a daily activity to complete and help keep your Irish going while we are off. It has the English and pronunciations too, to help you as you advance.
- **Covid-19 Time Capsule**

You can download this short booklet on the dropbox link.

Some fun...
