

April 27th - May 1st

Hello all,

I hope you are all well. We have had some lovely weather lately and I hope you are getting out in the fresh air as much as possible. If you are finding anything difficult, please let me know and I will help or tailor the work for you. Please continue to read every day. This will be of great benefit to you in every area. We are hoping to make some class photostories to display on our webpage. If you can email a photo of something that you have been doing during your time at home, I will include it in our class photo-story.

Stay safe and I hope you are all enjoying your time with your families.

Best Wishes,

Mrs. Armstrong.

P.E. Active Home Week

This week should have been Active School Week in Lisronagh National School, but instead we hope to hold an Active Home week. All the Information for the week is on the Lisronagh N.S. webpage, under the Active Schools Flag heading. The idea is to take part in at least sixty minutes of activity each day and record this on a chart. We will then submit these charts when applying for our Active Schools Flag. The chart is available to print on the webpage or you can draw it out onto a sheet or in your copy. There is a pdf containing ideas for activities and information for parents on the webpage also. I have also added an Active School Folder to your usual DropBox link.
